TELE ATLAS RELOCATES OFFICES TO SOUTHFIELD'S EVERGREEN ATRIUM

Southfield, Michigan – Etkin Equities is pleased to announce that it has entered a long-term lease with Tele Atlas, one of the world's most trusted sources of accurate, real-time digital mapping and dynamic content for more than 20 years, and a wholly-owned subsidiary of the automotive navigation system manufacturer, TomTom. Tele Atlas moved into 3,865 rsf of space in the Evergreen Atrium Building at 26261 Evergreen in Southfield, Michigan on December 29, 2009.

“While we were already located nearby at the Southfield Town Center, the availability in the Evergreen Atrium Building gave us the opportunity to take advantage of the beautiful building, exceptional facilities and superior location,” Tele Atlas tenant Matt Randall explained. “The Etkin team’s experience and expertise made the transition smooth and easy, with minimal interruption to our business.”
