**FOR IMMEDIATE RELEASE**

**ETKIN WELCOMES PEA GROUP TO THE NEWLY ACQUIRED  
1849 POND RUN OFFICE BUILDING AS THEIR NEW HEADQUARTERS**

**AUBURN HILLS, MI (JUNE 30, 2022)** – Etkin Real Estate Solutions is pleased to announce a new tenant, PEA Group, at the 1849 Pond Run office building in Auburn Hills. A respected multidisciplinary site design firm in business since 1947, PEA Group is relocating its headquarters to Auburn Hills after spending almost three decades in their Troy location.

As part of Etkin Real Estate's continuing search for new acquisition opportunities for their extensive portfolio, they are proud to welcome PEA Group into the fold. The firm chose to partner with Etkin for the location based on the versatile nature of the building itself and the strong relationship they have established with Etkin over the years.

PEA Group will enjoy a 24,161 square-foot single-story building with high-end brick construction, glass fronts, and an open floor plan. The building incorporates a desirable combination of both offices and lab areas, including a fully air conditioned garage connected to convenient lab space. Planned future amenities will include a terrace with an outdoor kitchen.

The Etkin team values its ongoing relationship with PEA Group and looks forward to a successful venture lasting many years to come.

**ABOUT ETKIN**

Etkin has played a prominent role in southeast Michigan real estate development and acquisition for nearly four decades. The privately owned company was formed in 1982 and is led by principal, Douglas Etkin, and president, Curtis Burstein. Etkin has been involved in over 9.5 million square feet of office, industrial, retail, hotel, senior living and mixed-use developments. The company also offers fee-based management and development services to a select number of third-party clients, financial institutions, hospital organizations and physician groups.
